## **OUR COMMITMENT TO HEALTH AND SAFETY**

Dear Customers,

We thank you for your understanding and patience during this challenging time. As of March 10, 2022, PHO announced the latest round of public health orders to reduce the risk of COVID-19 transmission.

To keep our shop COVID-19 free, we are closely adhering to government guideline and we updated our commitment as below:

- We wear masks.
- We increase the frequency of surface sanitizing.
- We implement a schedule of increased handwashing.
- We are trying not to be accepting cash so that we can minimize contact through the payment process.
- We do not come to work, if we have symptoms of any illness.
- We open the front door as much as possible to reduce air recirculation and increase the outdoor air intake.

Thank you for your support and understanding.
